Issue No. 28 Week Ending 9 May 2008 Learning Programme Unit 5/5

#### World Communications Day

There are so many ways to keep in touch... through the internet, by telephone, texting, writing, meeting up with people. A part of communicating is listening and paying attention to the other person. When we communicate with others, do we give them the attention they need?

I have just hung up; why did he telephone? I don't know... Oh! I get it... I talked a lot and listened very little.

Forgive me, Lord, it was a monologue and not a dialogue. I explained my idea and did not get his; Since I didn't listen, I learned nothing, Since I didn't listen, I didn't help, Since I didn't listen, we didn't communicate.

Forgive me, Lord, for we were connected, and now we are cut off.

# SHAKESPEARE STARS SHINE!

Friday 25<sup>th</sup> April saw Shakespeare come to SJP. As part of our SATs preparation, a talented group of Year 9 pupils performed the set scenes from 'Much Ado About Nothing' for the rest of their year The cast group. have been rehearsing after school since January and

their efforts really paid off as pupils and staff enjoyed what can only be described as an 'outstanding' performance. We are certain that by watching this production, Year 9 pupils will be more confident as they prepare for their Shakespeare exam on Thursday.

Thank you and congratulations to the pupils involved: Rachel McAsey, Aaron McCready, Ed Kirke, Olivia Webster, Eimer Tudor, Kate Murphy, Bethan Blackley, Charlotte Baxter, Ellie Ruddy, Lauren Dean.

Thanks must go to Miss Rossiter who directed the performance, to Mrs Finley for her help with costumes and Mr Austin for his technical assistance.

## SJP GOES NATIONAL!

I was very pleased to welcome last week journalists and photographers from the Times Educational Supplement, the country's leading teaching newspaper. The TES people were in College looking at how we have managed to make some of the improvements in

exam results that I have been mentioning over recent weeks. You can see their article in the April 25 edition, shortly available on our website. I told them, of course, that we are all, staff, parents and pupils, working very hard together and that our teamwork here at SJP is top class! I was also able to tell them about one of the most distinctive features about life at SJP, namely that we have so many former pupils who have come back to us as staff. In fact, I can tell you that the journalists at the TES were bowled over by the fact that we now have 13 former pupils working at the College (see above). I think this adds enormously to the community and family feeling at the College and I know that it plays a big part in the quality of care, guidance and support that we are able to offer to our pupils here.

# LITERACY CORNER

### Word of the week

Halcyon (HAL-see-uhn) Adjective Calm; quiet; peaceful; undisturbed; happy. Marked by peace and prosperity; as, "halcyon years."

**ORIGIN**: *Halcyon* derives from Latin *(h)alcyon*, from Greek *halkuon*, a mythical bird, kingfisher. This bird was fabled by the Greeks to nest at sea, about the time of the winter solstice, and, during incubation, to calm the waves.

# SJP YEAR 7 RUGBY REPORT

Extract from Liverpool Echo 28 April 08

This week, our reporters are Carl Cavanaugh, Daniel Daly and Cy Longstaff (7MC) The boys put an amazing effort into the match. We had worked on our rugby from the beginning of the year and it had paid off. The lads made some super hard, very painful tackles and we worked our legs off and the pitch was miserable. Although we were the smallest team, we still won and we proved that size doesn't matter in rugby.

# Sports Leaders

A number of our young leaders assisted with the primary school athletics tournament last Tuesday and Thursday. The tournament was organised as part of the school sports partnership scheme which brought together a vast array of Wirral primary schools. The young leaders were involved with assisting at various events carrying out responsibilities such as measuring, recording, timing and coaching. The leaders were a credit to our College and contributed to a smooth running athletics competition.

*Thank you to:* Rebecca Lunt, Katie Robinson, Joseph Mullen and Andrew Comber (yr 9) Lewis Clarke, David Brockway, Lucy Fitzpatrick, Kate Ashcroft, Kate Jones, Katie Mitchell, Grace Rhodes, Hannah Bolton, Katie Dickson and Vicky Hoey (yr 10). Jonathon King (yr 11).

### Year 10 Sports Leaders

Year 10 pupils have been following the Sports Leaders UK Award during their lessons. The award involves the pupils developing leadership skills and working together to plan small activity sessions to lead to younger pupils. As part of their assessment, the leaders have organised and led sessions for primary school children. Over the past 2 weeks, pupils from St John's Junior School have been coming over for their P.E. time and the leaders have been running their sessions. They have worked extremely hard throughout the award and they have developed in confidence greatly. The feedback from both staff and pupils, at St John's, has been very positive and sessions have been thoroughly enjoyed. Well done to all sports leaders!
