

★ SJP'S GOT TALENT

SJP's Got Talent

After weeks of auditions, a ruthless selection process and rigorous final rehearsals, a packed college hall witnessed the amazing spectacle that was SJP's Got Talent 2013. All of the contestants were outstanding and each act was clapped and cheered on by an enraptured audience.

Eventual winner, George Podmore from Year 9, delivered a storming rendition of a blues guitar solo, which won a standing ovation from the audience. All of the acts were exemplary and SJP were proud to showcase the wealth of talent in our College. The event was a great success, raising funds for Street Child Africa.

SJP Unplugged

Tuesday 26th February saw the fourth annual SJP Unplugged concert take place in the College Hall. The audience gathered to witness some captivating performances from some of our finest musicians. A mixture of songs old and new, including some original compositions were performed on the night giving our musicians a great opportunity to showcase their talents.

Particular mention must be given to Sam Roach from Year 13 who, in addition to performing his own solo, was on stage accompanying a number of other students throughout the evening. Well done to all involved.

SJP Easter Performance

Don't miss out on our Easter performance 'The Passion'. Tickets are now on sale from reception for Wednesday 20th March and Thursday 21st March. Audience arrival is 6pm at the front of the College, where you will be able to join in with live music and dancing. There will also be an opportunity to purchase food and drink before the performance begins at 6.30pm.

Part of the performance takes place outside therefore it is advisable to wear warm clothing and bring a waterproof coat.

Language Corner

French fact of the fortnight

La Bibliothèque Nationale de France in Paris houses every book ever published in Paris. It is renowned for the buildings being shaped like four books.

Your Challenge: Approximately how many books are in the national library?

- a) 5 million
- b) 13 million
- c) 20 million
- d) 26 million

The first 5 correct entries to Madame Smart in MFL 5 will receive a house point.

Upside-down Number

Diana noticed that her phone number read the same when viewed upside down.

Her number began 081 and was followed by seven digits

The two digit number formed by the fourth and fifth digits is divisible by nine.

The two digit number formed by the fifth and sixth digit is divisible by eleven.

The two digit number formed by the sixth and seventh digit is a square number.

What is Diana's number?

Solution for last week

36, 46, 65, N, S and V

Weekly Theme - 'Sorry is the Hardest Word'

Luke 13:6-9

Jesus told this story: "A man had a fig tree planted in his vineyard. He came looking for some fruit on the tree, but he found none. So the man said to his gardener, 'I have been looking for fruit on this tree for three years, but I never find any. Cut it down. Why should it waste the ground?' But the servant answered, 'Master, let the tree have one more year to produce fruit. Let me dig up the dirt around it and put on some fertiliser. If the tree produces fruit next year, good. But if not, you can cut it down.'"

One of the most difficult words that we have to say is "sorry", often it's because we don't really want to face the truth about ourselves that we are not perfect.

How often have we heard people say, "It's not my fault" when obviously it is. One of the signs that we are growing into adults and into maturity is accepting responsibility for our actions. Accepting that we make mistakes: that we all do wrong. Before we can genuinely say "sorry" and mean it,

we must repent.

This week we are halfway through Lent, how's it going for you? Have you been carrying out the "Forty Acts Challenge?" Remember it's never too late to start.

Father of all goodness, our selfishness stands in the way of the generous love that we should show to our families and friends. May we us this time of Lent to improve our lives.

Amen
