#### Acts 2:1-11

When the day of Pentecost came, the disciples of Jesus were all together in one place. Suddenly a sound like the blowing of a violent wind came from heaven and filled the whole house where they were sitting. They saw what seemed to be tongues of fire that separated and came to rest on each of them. All of them were filled with the Holy Spirit and began to speak in other tongues as the Spirit enabled them.

Now there were staying in Jerusalem God-fearing Jews from every nation under heaven. When they heard this sound, a crowd came together in bewilderment, because each one heard their own language being spoken. Utterly amazed, they asked: "Aren't all these who are speaking Galileans? Then how is it that each of us hears them in our native language? Parthians, Medes and Elamites; residents of Mesopotamia, Judea and Cappadocia, Pontus and Asia, Phrygia and Pamphylia, Egypt and the parts of Libya near Cyrene; visitors from Rome; Cretans and Arabs.

It is sometimes really difficult for us to treat everybody exactly the same. it's natural for us to like people who like

## Brady Jones twins do well again

Year 7 twins Ethan and Keira were selected to take part in the Vitality Westminster Junior Mile. Ethan ran his mile in 5m 32s and Keira 5m 30s giving her a 5th place finish. They both were competing against year 8 and 9 pupils so their times and achievement are fantastic.

the same things that we do. But we cannot pick and choose the people that we want to get on with.

But God goes one step further, he actually loves every person equally and he loves everyone the same. There are no differences with God.

In these days when we hear so much being said that is critical of people of other faiths, particularly as in the Manchester bombing and the London terror attack, where a few people carry out horrendous atrocities in the name of their faith, then whole sections of people-whether they be Muslims, or Sikhs or Christians, because of what they believe or of their actions-are viewed with suspicion. It is really important particularly in these days that we have to remember that Gods love for each of us is the same; we who are Christian's don't get more of his love and care. Colour, class, gender or belief mean nothing to God, he simply loves each one of us equally.

Father your love never fails. You offer it to each person that you have created. Social class, colour or gender mean nothing to you, may they mean nothing to us, as we offer your love and care to all. Amen

### **BE WISE** Revise

With the exam season fast approaching and revision well underway, now is the perfect time to browse through and borrow some Revision Guides from the college library.

Choose from the extensive collection of GCSE and A Level guides which will help you achieve your maximum potential.

Alternatively, you can access BBC Bitesize (www.bbc.co.uk/bitesize) and other revision sites from any of the computers within college. Good luck to everyone sitting exams over the next few weeks.
