## SECTION TWO - COURSE SELECTION

This section enables you to state clearly what your choices of course are.

If you are likely to gain at least 5 GCSEs at grade C or above (including some A\*, A or B grades), then you can consider Level 3 courses (A Level and equivalent).

Students taking Level 3 courses should pick **four** subjects from the selections below (no more than one from each group).

If you are likely to gain fewer than 5 GCSEs at grade C or above, then you should be thinking of a one year Level 2 course in ONE of the subjects listed. Students taking this path will also be expected to take additional courses.

In addition, all students in Sixth Form follow a certified programme in General RE.

*“Guidance is outstanding, enabling students to move successfully to their first choice higher education establishment or enter employment or training”* OFSTED
