

# Plessington Catholic Technology College

Issue No. 3    Volume 1  
21<sup>st</sup> October 2005

Theme for the Week: *Our World*

*Reflection: As long as people in the world are poor, we can never be rich. As long as there are people in the world who do not have adequate shelter, we can never be comfortable and warm. This is the way our world is made. We are interdependent, interconnected and related to each other. We all belong to the human family.*
