

Kintbury

As part of the experience that we offer to Year 12 we have arranged a visit to St Cassian's Centre in Kintbury from 7th – 10th February 2011.

Kintbury is located in the heart of the beautiful Berkshire countryside, and the residential centre is the perfect environment for students to get to know themselves and each other better.

We would like to provide our young people with a little time and space to reflect upon the important beliefs and values in their lives as they plan for their future as adults.

“Kintbury is beautiful - being there has given me a sense of inner peace and real happiness.”

The key to the success of Kintbury is that we mix the opportunity for rest and relaxation with a time to reflect giving our students a chance to grow. Throughout the years of the centre's existence, many young people have shared what for most is referred to as "The Kintbury Experience".

The cost of this Kintbury trip is £90.00, which

“ There are many **different activities** led by a **willing** and **friendly team**. ”

includes full board and travel to and from St Cassian's Centre.

All our current Year 11 students have already received a letter asking them to return the reply slip along with a deposit of £10.00 to secure their place.

As the experience will be popular among our students, places at St Cassian's Centre are limited due to its popularity with young people throughout the country. Reply slips should be returned to Gerard Boyle our Chaplain as quickly as possible.

This is an excellent opportunity for our students to build community in their Sixth Form and will be an experience that they will never forget.

Cricket

Year 7 Cricket Team March into the Semi-Final

Well done to the Year 7 Cricket team who fought off a stubborn Mosslands side to gain their place in the semi-final of the Wirral Schools' Cup Competition. SJP started in bat with Bradley Gallagher and Andrew Madigan batting confidently against a very strong bowling attack. They were followed by Steven Reid and Callum Burrige who batted aggressively to post an impressive 65 off 16 overs.

In the field Steven Reid and Andrew Morris bowled so accurately that they restricted the Mosslands side to 54 runs, 12 shy of the SJP total. The result means that the Year 7 side will now play the winner of the South Wirral vs Hilbre High School match in the semi-finals.

Well done to all students who competed!

Year 9 Science SATs

Friday 18th June

In preparation for the Science SATs test the SJP Science department are providing after school revision sessions Tuesday 15th-Thursday 17th June. The sessions will run from 3.30-4.30 in Science 7 and will cover scientific investigation and key topic areas.

The sessions will allow pupils to improve their investigative skills, interpretation of questions and exam technique.

We look forward to seeing lots of you there!

Archaeology

Awesome Archaeologists!

Pupils from Year 10 enjoyed a unique experience on Tuesday 8th June, when they became Archaeologists for the day!

In the first session a series of archaeological 'tasters' showed pupils exactly what happens on an archaeological excavation. Pupils laid their own trench and recorded it using archaeological techniques. They then 'excavated' their own finds in the lab, washed them and re-assembled them, just like archaeologists!

These ongoing sessions are being held on Tuesday evenings 3:30 – 4:40. They are being run in partnership with World Museum Liverpool, who are kindly donating genuine finds and activities for pupils to handle. There are a number of limited places on this course still remaining for Pupils in Year 10. For more details see Miss Cook in Sc8!

Year 9 SATs Exam is on Friday 18th June

Students should be equipped with calculator, ruler, pencil, pen and eraser.

Solution for last week

Weekly Theme— Compassion

Not long after that, Jesus went to Nain village. His disciples were with him, along with quite a large crowd. As they approached the village gate, they met a funeral procession—a woman's only son was being carried out for burial. And the mother was a widow. When Jesus saw her, his heart broke. He said to her, "don't cry." Then he went over and touched the coffin. The pallbearers stopped. He said, "young man, I tell you: Get up." The dead son sat up and began talking. Jesus presented him to his mother.

They all realised they were in a place of holy mystery, that God was at work among them. They were quietly worshipful—and then noisily grateful, calling out among themselves, "God is back, looking to the needs of his people!" The news of Jesus spread all through the country.

Luke 7: 11-17

We so often hear sad stories about people who are very sick, or people who have been affected by natural disasters, or people who

have been forced to leave their own countries because of fear and violence, and our natural reaction is to want to help them.

The word compassion comes from two Latin words, "cum passio", which means "suffering with." When, like Jesus, in this week's gospel story, we feel for someone, we suffer with them, we show compassion. Sometimes we can do things to help, but many times we are unable to help them directly, and we feel frustrated. It is then that we can do one very important thing: we can pray for them.

God of wisdom and love, from you all goodness comes .

Help us to show your love and goodness to those in need, as your Son did.

Amen
