

World War One Battle Fields Trip

A group of GCSE History students took part in a four-day visit to the Battlefields of World War One in Belgium and France as part of their studies.

On Saturday morning, we drove to the Somme in France to visit battlefields and memorials. A site of particular interest was Newfoundland Memorial Park. Here, pupils had a guided tour of the trenches and experienced the view over no mans land, as the soldiers would have seen during the war.

Menin Gate Last Post Ceremony

That evening, Mr Austin took part in the Last Post Ceremony at the Menin Gate. Rebecca Wilks, Dominic Crossley and Aaron Beech laid wreaths.

Sunday we visited more battlefield sites and museums in Belgium. Pupils had been asked to find out if any of their relatives had died in the Great War. Nathan Morris found out that his Great Uncle had fallen at Vlameringhe,

Poperinge. We visited his grave and the pupils stood with Nathan whilst he told us about his relative, and Mr Austin played the Last Post.

The pupils experienced many aspects of the war, and gained a greater understanding of the vast loss of life and destruction that happened throughout Belgium and France.

Years 9 & 10—Review Day

Please be aware that Review Day for Years 9 & 10 will take place on Friday 20th November 2009. The College will be closed for the remaining pupils on that day.

Sixth Form Emmaus Walk

The Emmaus Day is a new event arranged for all the Sixth Formers. It involved a walk along the Wirral Way from Leasowe lighthouse to Thurstaston visitors centre and on their return to College food was available for all tired staff and students. The aim of the day was to create a sense of community spirit within the Sixth form and for all students and staff to mix and develop a sense of belonging.

At the start of the walk, the students read the story of the disciples returning to Emmaus on the first Easter Sunday meeting and how they met a stranger on the road

who asked them what was going on in their lives. The apostles shared with the stranger their story, the good bits and the bad bits as well. The stranger encouraged them to talk and tried to help them make sense of what was happening in their lives. It was not until they shared food together and the stranger broke bread with them, that the disciples realised that Jesus had accompanied them on their journey.

During the Emmaus journey that our students made they shared their stories with each other and shared the milestones in their lives.

Theme for the Week - "Generosity"

God is never mean; he is always more generous than we deserve, the poor widow in our scripture reading realised that and gave everything she had. It is a fact of life that the poor in our world are more likely to be generous, than the rich.

The rich are more likely to hang onto their money and their power and not to share it with those who are in need. We only have to look at the poverty, suffering and hunger endured by so many people in our world today, because we who live comfortably in the rich Western nations won't share fairly what we have with everyone.

Mark 12:38-43

As he taught, Jesus said, "Watch out for the teachers of the law. They like to walk around in flowing robes and be greeted in the marketplaces, and have the most important seats in the synagogues and the places of honor at banquets. They devour widows' houses and for a show make lengthy prayers. Such men will be punished most severely."

Jesus sat down opposite the place where the offerings were put and watched the crowd putting their money into the temple treasury. Many rich people threw in large amounts. But a poor widow came and put in two very small copper coins, worth only a fraction of a penny.

Calling his disciples to him, Jesus said, "I tell you the truth, this poor widow has put more into the treasury than all the others. ⁴⁴They all gave out of their wealth; but she, out of her poverty, put in everything—all she had to live on."

Loving Lord, your justice is strong and your mercy is rich. May we show care and generosity to all who belong to our human family, so that we will never miss an opportunity to help anyone who is in any kind of need. Amen
