

### DT: GCSE & A Level Work

Once again SJP's GCSE and A level DT pupils have demonstrated their flair and creative talent by producing high quality, innovative items in Design and Technology. The GCSE products created ranged from fully functioning lamps, docking stations and modern storage units; in Product Design, fashion-ware; in Textiles, advertising displays; in Graphics, product packaging and a wide selection of tasty dishes in Catering. Our A level students have produced items of excellence, meeting the rigorous demands of the course by creating items that could easily be bought in shops today. Well done to all our SJP inspirational designers.

## Olympics

Last week at SJP Project 2012 was launched! As you know, this summer London and the UK will host around 205 different countries for the 2012 Olympic Games. This has only ever happened twice before in 1908 & 1948. We want you to be involved. This year's Sports Day and Project 2012 are having an Olympic theme. We have assigned each house a COUNTRY. This country will be your new House identity for Sports Day, Project 2012 and any other Olympic themed competitions that are going to be run before the end of term. The points collected for each country will be added up and we will announce the winner at the end of Project Week. Here are the countries each House has been assigned.

### Your Country...

**BH** China      **JB** Australia      **MK** Qatar

**MT** Argentina      **OR** Spain      **SB** Jamaica

**TL** India      **VP** USA

**39**  
**days to go!**

Everyone enjoyed working together as a team and Can you solve the anagram?

Achievements (answer next week!)

Answer from last week:  
Television programming =  
Permeating living rooms.

Word of the week:

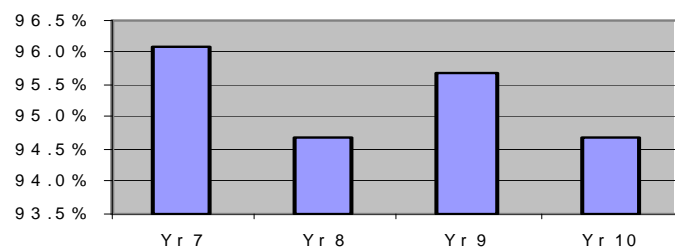

Innate - existing in a person or thing from birth or origin. Something that is innate seems essential to the nature, character, or constitution.

e.g. She has an innate charm.

Last Thursday evening the PE department ran a rewards trip for Year 7, 8 and 9 pupils to attend Pizza Hut and Odeon Cinema to watch Men in Black 3. The trip was organised for those pupils who have had outstanding commitment to extra curricular PE during the spring term. Many of the pupils had attended more than 50 extra curricular sessions this half term which is a fabulous achievement. All the pupils had a great time and thoroughly enjoyed the food and the film.

Everyone enjoyed working together as a team and

Year 7 - 96.1%    Year 8 - 94.7%

Year 9 - 95.7%    Year 10 - 94.7%

## Poly Tunnel

The poly tunnel is producing its first crops. The Strawberry plants from Claremount Farm are ripening and the new potatoes and salad crops are being harvested and used on the salad bar at lunch.

### Eco Team News

We are collecting old pens that you don't need or use. So if you see a pen collection box around the school, please put your used pens in there. We are donating the pens to a charity and they use the plastic to make new and useful equipment. Please help our campaign.  
Rebecca Farrell FMT

Year 8 council decided to share this between 3 charities, Amy and Friends, The Cystic Fibrosis Trust and

	Monday	Tuesday	Wednesday	Thursday	Friday
Year 9			Set 1 Spanish Set 2 Maths	English - Controlled assessment Catch-up Maths Set 1	
Year 10		French Maths	Spanish Geography until 14th June Maths	English - Controlled assessment Catch-up Maths	
Year 12			Maths	French	
Additional		RE Home-work catch up - All Years			PE BTEC Coursework session

Can you find any of the following sports in French in the word search?

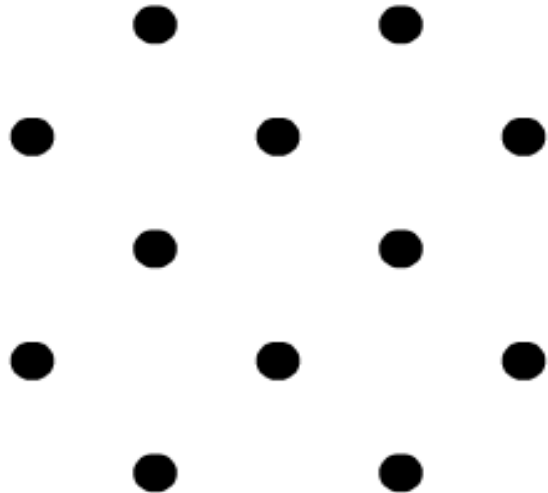

Cycling      Table tennis      Hockey      Sailing  
Basketball      Skiing      Judo      Athletics

Can you find any other sports that are not listed above in the word search?

The first five correct responses to Miss Kingsland in LA2 will receive a house point!

## Maths Corner

How many squares can be found by joining 4 dots on the grid below?

## Weekly Theme -

There is a saying 'Great Oaks from little acorns grow'; The Christian Church in our world today numbers 1.8 billion members and it started with just twelve apostles. All kinds of birds can rest in the branches of a mighty Oak tree, and the Church takes and

gives home to every kind of person; it is the kingdom of God on Earth for every person who shows faith and wants to join it regardless of their race language or culture.

We have to be Ambassadors for our faith in our world today, our role is to lead others to meet Jesus, by the example we give and the way in which we live our lives.

This week we also celebrate **Refugee Week**. Refugee Week is a unique opportunity to celebrate the positive contributions that refugees and asylum seekers make to the UK and to promote understanding about why people seek sanctuary.

### Mark 4:26-34

#### The Parable of the Growing Seed

He also said, "This is what the kingdom of God is like. A man scatters seed on the ground. Night and day, whether he sleeps or gets up, the seed sprouts and grows, though

he does not know how. All by itself the soil produces grain - first the stalk, then the head, then the full kernel in the head. As soon as the grain is ripe, he puts the sickle to it, because the harvest has come."

#### The Parable of the Mustard Seed

Again he said, "What shall we say the kingdom of God is like, or what parable shall we use to describe it? It is like a mustard seed, which is the smallest of all seeds on Earth. Yet when planted, it grows and becomes the largest of all garden plants, with such big branches that the birds can perch in its shade."

With many similar parables Jesus spoke the word to them, as much as they could understand. He did not say anything to them without using a parable. But when he was alone with his own disciples, he explained everything.

**Almighty God, you are our hope and our strength.**

**Help us to follow Christ and to live according to your Will.**

**Amen**
