

SJP Passion

Before the Easter break a 100 strong cast and crew were hard at work preparing to stage their contemporary interpretation of the Easter story. The 'SJP Passion' was a promenade performance exploring the life of Jesus in the days before his death. Students and staff worked collaboratively to produce an outstanding performance delivered to over 300 people. From the moment Jesus arrived at SJP in his convertible Mercedes, pandemonium erupted. For two hours audience members were entertained with song after song, showcasing the amazing talents of our students at SJP as they dramatised this infamous story. With all elements of the Performing Arts Department represented; from acting to singing and musicians to dancers, everyone was welcome. A huge congratulations to all of our pupils for their hard work, dedication and commitment throughout.

Thank you to Year 7 for their enthusiasm during Walk to School Week. A large number of Year 7 pupils

swapped wheels for walking and made the effort to brave the elements. The week really highlighted that walking to school when possible, can save a car trip which in turn helps the environment. Also, walking to school can help improve our fitness. All those who participated in Walk to School Week were entered into a prize draw where £50 of vouchers were up for grabs. Miss Skillen and Mr Rylance came into assembly to make the draw and the lucky winner was Niamh Evans in 7JB. Very well done Niamh-enjoy spending your vouchers!

Next PTA meeting:

7pm Tuesday 30th April 2013
in the College Staff Room.

All are welcome.

The epic finale of 8VPs Fifa13 tournament took place this week with the final being played between Jay Bilson 7OR and Cameron McGregor 8MT. The game was a roller coaster and the atmosphere in Geography 2 was electric. However it was two dubious penalties that turned the game, Jay 'Fergie' Bilson called the referee a disgrace as Cameron McGregor turned the game around in the second half to finally win 6-3 and take the coveted prize of SJP Fifa13 Champion along with the £10 prize money. Congratulations Cameron!

With thanks to the students of 8VP for the inspiration and the organisation, especially Joe O'Shea (Advertising), Kyle Banford (Administration) and

Spanish Challenge!

Me gustan mucho los deportes. Normalmente practico deportes todos los días. Los lunes practico la natación y el martes juego al fútbol. Los miércoles practico el ciclismo, y también juego al baloncesto los jueves. El viernes juego al fútbol, el fútbol es mi deporte favorito. Generalmente juego a los bolos los sábados pero este sábado voy a practicar equitación con mis primos porque es el cumpleaños de mi prima Laura.

Your challenge: How is Pablo going to celebrate his cousin's birthday?

The first 5 people who bring the correct answer in Spanish to Señora Smart in MFL 5 will receive a house point.

Weekly Theme - 'Making Choices'

John 20: 19-31

When it was evening on the first day of the week, Jesus' followers were together. The doors were locked, because they were afraid of the elders. Then Jesus came and stood right in the middle of them and said, "Peace be with you." After He said this, He showed them his hands and his side. His followers were thrilled when they saw the Lord. Then Jesus said again, "Peace be with you. As the Father sent me, I now send you." After he said this, he breathed on them and said, "Receive the Holy Spirit. If you forgive anyone his sins, they are forgiven. If you don't forgive them, they are not forgiven." Thomas, who was one of the twelve, was not with them when Jesus came. The other followers kept telling Thomas, "We saw the Lord." But Thomas said, "I will not believe it until I see the nail marks in his hands and put my finger where the nails were and put my hand into his side." A week later the followers were in the house again and Thomas was with them. The doors were locked, but Jesus came in and stood right in the middle of them. He said, "Peace be with you." Then He said to Thomas, "Put your finger here, and look at my hands. Put your hand here in my side. Stop being an unbeliever and believe." Thomas said

without seeing me will be truly blessed." Jesus did many other miracles in the presence of his followers that are not written in this book. But these are written so that you may believe that Jesus is the Christ, the Son of God. Then, by believing, you may have life through his name. If we are asked to believe something that seems impossible then doubt seems very reasonable. Thomas knew that Jesus was dead, very dead. He had seen him crucified on the cross. So it was very natural for him to say "Unless I have proof, I will not believe".

When he too sees Jesus, risen with them again he is convinced. For two thousand years the Christian community has based its faith on witnesses like Thomas, he was shown the truth. He touched the wounds of the risen Jesus. His doubting was very important for us and enables us to be witnesses for the risen Jesus in our world today.

Heavenly Father God of mercy

We do not look for Jesus among the dead, for he is alive.

Increase our faith that we may believe, with out looking for evidence first. Help us to trust in you

Dear Parent/Carer

VLE at SJP

I am writing to update you on the latest news to the St John Plessington VLE. Pupils have access to the VLE by clicking the Kite logo that is on the top right of the school website (www.stjohnplessington.com) or by clicking the VLE link in the navigation pane on the "About Us" page. Using their school username and password pupils can access the school network. If there are any issues regarding this, pupils can contact me in ICT1.

The VLE allows pupils to access resources such as assignments, course material, learning programmes and homework and is an integral part of a pupil's learning toolkit at SJP. We have an exciting new component that we wish to inform you about which is that Google Drive will be integrated into the VLE allowing each pupil 5GB of "Cloud Storage" completely free. This will allow them to install Google Drive on their home computer and any files they save into this storage area they can access at school or home making the whole process of saving work that they need to access later a seamless process.

Please do not hesitate to contact me if you wish to discuss any of this further.

Yours sincerely

Mr. P Leicester
