Basketball News

Congratulations and well done to the Year 9 basketball team who having beaten Mosslands convincingly in the semis, went on to challenge the defending champions, Woodchurch High School, this week in the final of the Wirral cup.

It was a nail biting game with the score remaining very close for the first three quarters as neither team showed any clear domination - keeping the crowd on the edge of their seat. Going into the 4th quarter, SJP were up 23:22 and with their eye on the prize they scored basket after basket. From this crucial stage in the game they kept their nerve defending courageously and denying Woodchurch a shot on target. The opposition crumbled under the pressure and a much fitter SJP side were victorious. The whole of the squad were integral to the win with 'Man of the Match' awarded to Aldrine Legaspi.

SJP will now go onto represent Wirral in the county finals on the 30th January in Liverpool. Go SJP!

Spanish Challenge

Hola me llamo Lina y vivo en Bilbao en el norte de España. Mi colegio se llama San Pablo y es mixto y católico. Me encanta mi colegio porque los profesores son muy amables. También no tenemos uniforme. ¡Qué suerte! Estudio cinco asignaturas cada día pero el miércoles solamente estudiamos 3 asignaturas. Mi asignatura favorita es la historia porque es muy interesante pero no me gustan las matemáticas porque son demasiado aburridas. Creo que el inglés es muy útil y también es divertido. Your challenge: What is Lina's favourite school subject and why?

The first 5 people who bring the correct answer in Spanish to Señora Smart in MFL 5 will receive a house point.

LETTER CLUE CALCULATIONS

1. Write down a calculation involving single digit numbers.
2. Write the numbers in the calculation in words.
3. Choose just one letter from each of your words and give this clue to a friend.

Can your friend work out what your calculation?

For Example:

$$2 + 3 = 5$$

Two + Three = Five

$$W + E = V$$

Here are some "Letter Clue Calculations" for you to solve:

- | | |
|----------------|---------------------|
| 1. $E + E = U$ | 3. $R \times O = X$ |
| 2. $R - O = E$ | 4. $W / E = W$ |

Solution for last week

E and R from cherry and A and P from apple gives a pear.

Weekly Theme - 'Unity'

1 Corinthians 12:4-11

There are different kinds of gifts, but they are all from the same Spirit. There are different ways to serve but the same Lord to serve. And there are different ways that God works through people but the same God. God works in all of us in everything we do. Something from the Spirit can be seen in each person, for the common good. The Spirit gives one person the ability to speak with wisdom, and the same Spirit gives another the ability to speak with knowledge. The same Spirit gives faith to one person. And, to another, that one Spirit gives gifts of healing. The Spirit gives to another person the power to do miracles, to another the ability to prophesy. And he gives to another the ability to know the difference between good and evil spirits. The Spirit gives one person the ability to speak in different kinds of languages and to another the ability to interpret those languages. One Spirit, the same Spirit, does all these things, and the Spirit decides what to give each person.

Prayer

In a community like ours there are so many different jobs to be done to enable us to function. The Head Teacher, Teachers and Teaching Assistants, the Office

Staff, the Site Management Staff and the Canteen Staff all working together to ensure our College continues to be outstanding.

There are numerous roles and tasks within our Christian community that should be carried out under the same premise, to build up that community in love.

Remember the Spirit of God is present in our community as a Spirit of unity to give us help and support when we need it most.

Almighty and ever present Father, you see all that we do, you look on us with great love.

Help us to follow your Son Jesus who was not proud and full of his own importance but humbly helped everyone as a servant.

Amen
