

## Magdalene College, Cambridge

Jismi Gladis and Clerin Joseph had the opportunity to attend a science residential organised by Magdalene College, Cambridge.

They were involved in a number of enriching experiences including:

- interview and discussion workshops
- exploring the university's libraries, museums and departments
- dining in Magdalene's candlelit 16<sup>th</sup> century Hall
- spending two nights in Magdalene College's student accommodation
- interacting with current undergraduate students.

Jismi and Gladis said, "It gave us a chance to start thinking like a Cambridge student, explore the historic university town and experience the vibrant community. With buildings that are both beautiful and welcoming, the libraries provide everything from first-year textbooks to medieval manuscripts. Magdalene College presented us with a deeper understanding of the variety of courses available, including Natural Sciences. There are excellent facilities for sports, drama, music and many other activities."

In the following week, Clerin and Michael McDonough were invited to St Peters College of Oxford University to partake in a three day residential trip to experience life at the University. During the trip the students were given tours of many areas of Oxford University, such as the facilities available for Chemistry and Biosciences students. While visiting other colleges, Michael and Clerin were given the opportunity to ask students questions about what being a student in Oxford is really like.

At the end of the trip, they were tasked to complete an A3 poster on a subject they're interested in which will be presented in Liverpool on Wednesday the 9th July. Both students thought the visits were a great experience and that they gained a lot from them.

They will be able to use this experience in their university applications which they will begin next month.

## Wirral Cup Final

The Year 9 Boys Football Team were runners up in the Wirral Cup Final last Wednesday. They were unlucky to be beaten by a good Caldy side who battled hard to win. Fantastic goals from John Adediran and a man of the match performance from Cameron McGregor meant that SJP made the game a great occasion and were unlucky to miss out winning the trophy.

## Year 8 Football Success

Year 8 pupils played in a tournament at Woodchurch High School which was organised by Everton FC.

SJP managed to reach the final, despite coming up against tough competition, and managed to beat the hosts on penalties.

SJP now progress into the Merseyside stage of the competition which will be played at Everton's training ground, Finch Farm.

## Literacy Corner

Adverbs add information to the verb in a sentence.  
They usually end in 'ly'.  
Try to complete the activity below.

### Find the adverbs

Adverbs can tell us more about how something is done, for example 'slowly' or 'quickly'. Find the 10 adverbs in this text and underline them.

Ben is taking his driving test today. He drove nervously to the test centre, trying not to drive too quickly. The examiner told him to set off and he drove slowly and carefully down the High Street. Shortly after he started, things went horribly wrong. Sadly, he turned right before he could see clearly and hit another car. The car was badly damaged. The examiner told him coldly that he had failed his test.

Now find the same adverbs in the word search:

## Weekly Theme - 'The Road to Happiness'

### John 14:1-12

Jesus said, "Don't let your hearts be troubled. Trust in God, and trust in me. There are many rooms in my Father's house; I would not tell you this if it were not true. I am going there to prepare a place for you. After I go and prepare a place for you, I will come back and take you to be with me so that you may be where I am. You know the way to the place where I am going."

Thomas said to Jesus, "Lord, we don't know where you are going. So how can we know the way?"

Jesus answered, "I am the way, and the truth, and the life. The only way to the Father is through me. If you really knew me, you would know my Father, too. But now you do know him, and you have seen him."

Philip said to Him, "Lord, show us the Father. That is all we need."

At the beginning of Christianity before the followers of Jesus were called 'Christians' they were known as 'People of the way'. Jesus said, "I am the way the truth and the life". His followers realised that the way to a happy fulfilled life was

to follow the way of the love of God and of other people.

It is always easier for us to find our way somewhere if we follow somebody else. Jesus is the way that we find God. So let's follow Him.

**God our Father, look upon us with love.  
Your Son showed us the way to live and love.  
He has given us the truth that will set us free.  
Help us always to follow Him.  
Amen.**
