

Castlerigg Manor

Last week 74 pupils from Year 8 travelled to Castlerigg Manor in the Lake District, to take part in their Year 8 'Experience'. While they were there, the pupils had the opportunity to explore the beautiful countryside and they learnt new things about themselves and their peers through many activities. The theme of the 'Experience' was 'everything is possible' and pupils explored this theme in reflection time, art workshops, games and drama. This culminated in a celebratory mass in the chapel. The pupils participated in some unusual activities, including: a limbo competition and space-hopper race! The 'Experience' encouraged pupils to challenge how they think, to build new relationships and to reflect on their personal relationship with God. The pupils also had the opportunity to take in the village of Keswick and the beauty of the Lake District, with a visit to a traditional sweet shop rounding off a fantastic time. The staff at Castlerigg Manor commented on the exemplary behaviour of our pupils and look forward to welcoming more SJP pupils next year.

Eco Club

Last week the Eco Club had a uniquely delicious idea and worked together to make a vegetable curry after school. The curry included a range of root vegetables and was a huge success with lots of members of Eco Club, including Miss Smith and Mr Riddler, who both had second helpings. The curry has been the inspiration for the vegetables that we will plant this year in the poly tunnel when the weather improves. We will then be able to make more delicious curry next year. We are looking for more members from all year groups to get involved. Eco Club is on a Tuesday from 3.30pm to 4.30pm in Humanities 6 please come along.

Weekly Theme - 'Serving Others'

John 1:29-34

John the Baptist saw Jesus coming toward him and said, "Behold, the Lamb of God, who takes away the sins of the world. He is the one of whom I said, 'A man is coming after me who ranks ahead of me because he existed before me.' I did not know him, but the reason why I came baptising with water was that he might be made known to Israel." John testified further, saying, "I saw the Spirit come down like a dove from heaven and remain upon him. I did not know him, but the one who sent me to baptise with water told me, 'On whomever you see the Spirit come down and remain, he is the one who will baptise with the Holy Spirit.' Now I have seen and testified that he is the Son of God."

In the scriptures we are told that the 'Lamb of God' will take away the sins of the world. Twenty-one centuries later there is still violence and hunger and exploitation in our world taking place on a massive scale. The work of the 'Lamb of God' is never completed, God's work is never finished. Bearing witness to this is part of the legacy Nelson Mandela has left to our world.

Today we are called to carry on the 'Work of the Lamb' through our service to others.

Prayer

Jesus, in the waters of the Jordan, you were consecrated as God's beloved, and now we pray, Spirit of God, fill us with zeal.

You call us to be people of courage, Jesus, send forth your spirit of freedom.

You call us to consecrate ourselves to the poor, Jesus, send forth your spirit of love.

You call us to bind up the wounds of the broken hearted, Jesus, send forth your spirit of healing.

Amen
