## Year 9 & Year 8 Rugby - Wirral Cup Champions

**Year 9** - After another unbeaten domestic season the Year 9 Rugby Team played Hilbre High school in the Wirral cup final.

The man of the match was Joe Owen. Final score SJP 67:7 Hilbre. It was a real team effort as it has been all season; with excellent performances throughout. Training has been well attended and enthusiasm and commitment has been second to none. Well done to the Year 9 Rugby Team!

**Year 8** - With the Year 8 rugby season coming to an end, there was just one more game to be played, The Wirral Cup Final, SJP vs Woodchurch. Having spent the entire season unbeaten, SJP were firm favourites. Try of the match, came from a superb burst of speed from Josh Keane. As a result, SJP came out on top with a fantastic 45-7 win! It was a real team effort, with excellent performances throughout. However, stand-out efforts on the day had to go to our own county player, and Man of the Match, Jack Ward. Also, Captain George Burrows, Vice-Captain Sean Fields, and Liam Donnelly, who managed to score a hat trick, all led from the front.

Well done boys!

## Maritime and Engineering College

A number of Year nine pupils were invited to visit Cammell Lairds and the Maritime and Engineering College by one of our past pupils; James Caul, to find out about apprenticeships. They were also given an interesting presentation by the apprentices on the work they have been completing on the bell from HMS Liverpool. HMS Liverpool was a famous destroyer of the Royal Navy built by Cammell Lairds in 1980.

## Food Revolution Day

A big thank you to everyone who supported this year's Food Revolution celebration at SJP on Friday 16<sup>th</sup> May 2014. Year 8 enjoyed their visit to the poly tunnel to pick their own herbs for Kaleidoscope Couscous Salad whilst Year 10 practised advanced knife and bread making skills to make delicious Seasonal Vegetable Balti served with Garlic and Coriander Naan –all of which went down a treat at our sampling station and the curry was a sell out to staff during lunch time. To continue the celebration in the afternoon, Year 9 competed in a cake decorating challenge.

Food Revolution is a global campaign for people to make a stand for good food and essential cooking skills. It's a chance for people to come together within their homes, schools, workplaces and communities to cook and share their kitchen skills, food knowledge and resources. It aims to raise awareness about the importance of good food and better food education for everyone by focusing on three simple actions – cook it, share it, live it.

At SJP we fully support this campaign by promoting food and cooking in Food Technology, across the curriculum and through our Eco and Healthy Schools initiatives. Our Food Revolution cooking club is an additional opportunity for pupils

to take even more control of their own cooking and eating habits and to raise the profile of the importance of good food education in our school and wider community. The Eco group have also been busy planting up the poly tunnel with lots of produce including strawberries, cabbages, tomatoes, herbs and beans which should be ready to harvest very soon. This will be used in both cooking lessons and by school chef Neil in our delicious school meals. Keep an eye out for more exciting events and news in the coming weeks...

## Weekly Theme - 'Moving On' Matthew 28: 16-20

*The eleven followers went to Galilee to the mountain where Jesus had told them to go. On the mountain they saw Jesus and*

*worshipped him, but some of them did not believe it was really Jesus. Then Jesus came to them and said, "All power in heaven and on earth is given to me. So go and make followers of all people in the world. Baptise them in the name of the Father and the Son and the Holy Spirit. Teach them to obey everything that I have taught you, and I will be with you always, even until the end of this age".*

The disciples have received a message that they must travel to Galilee and that there, they will see Jesus. It is difficult to imagine what must have been going through their minds as they made this Journey.

Jesus had been crucified. He died and was buried, and yet, now they have this message that they must go and meet Him. And when they do, some of them fall straight at His feet. Some hesitate. But Jesus' message to all of them is the same. He is with them always, until the end of time.

### Prayer

**External God, we thank you for being with us always. Open our hearts to encounter you in our lives and to see the face of your Son in all those we meet, especially in those on the margins of our society.**

**Amen.**
