## Y12 BTEC Hospitality

During a recent practical assessment Y12 BTEC Hospitality students made a range of authentic Italian dishes many of which with a modern twist. Creations ranged from Melt in the Middle Meatballs in a Homemade Pasta Basket to a Pea and Parmesan Chicken Risotto with a Parmesan Tuile and a Green Pea Purée. Well done to all students for producing such challenging and delicious dishes to such a high standard!

## A cry for help

I am sure that we have all been horrified at the news reports and images coming out of the besieged town of Madaya in Syria over the last few days.

SJP has made contact with a local charity in Birkenhead who are arranging to send a container as quickly as possible to the people of Madaya, now that relief supplies are gradually beginning to be allowed through.

The container is planned to leave in the next couple of weeks.

There is a desperate need for blankets, sleeping bags, children's clothes baby, clothes and nappies and jumpers for adults.

As a community of staff, students and parents we are trying to bring some help to ease this desperate situation by bringing into College any of the above items that we may no longer need.

Items can be sent into college via our students or can be dropped off at the College Reception.

We can assure you that every item donated will reach those who are in such desperate need of help.

Thank you.

The Greatest Commandment

One of the teachers of the law came to Jesus and asked him, "Of all the commandments, which is the most important?" "The most important one," answered Jesus, "is this: Love the Lord your God with all your heart and with all your soul and with all your mind and with all your strength. The second is this: 'Love your neighbour as yourself. There is no commandment greater than these.'"

## This LP in STEM Club.

STEM Club runs on a Wednesday 3.30pm to 4.30pm every week after school in Sc2. It is open to Year 7, 8 and 9. It allows opportunities to explore real-world science, technology, engineering and maths projects in exciting ways. This LP we are building towers from just spaghetti and marshmallows, making bath bombs and sending crisps out through the post. Why? Come along and find out!

## Spotlight on: La comida española- Spanish Food

People in Spain love to eat tapas. Tapas are small dishes of food that are normally served with drinks. Why are tapas so small? The story goes that the king stopped by a local tavern and ordered a glass of wine. The owner presented the drink to King Alfonso covered with a slice of ham to prevent sand and flies going into it. When the king finished, evidently pleased, he ordered another, with 'a cover.' As the years moved on, the custom of tapas has changed. Tapas have evolved into a sophisticated cuisine; there are hot and cold tapas using many different Spanish ingredients.

Can you translate these types of food?

# Weekly Theme - "Belonging"

Scripture

1 Corinthians 12:12-30

A person's body is one thing, but it has many parts. Though there are many parts to a body, all those parts make only one body. Christ is like that also. Some of us are Jews, and some are Greeks. Some of us are slaves, and some are free. But we were all baptised into one body through one Spirit. And we were all made to share in the one Spirit.

The human body has many parts. The foot might say, "Because I am not a

hand, I am not part of the body." But saying this would not stop the foot from being a part of the body. The ear might say, "Because I am not an eye, I am not part of the body." But saying this would not stop the ear from being a part of the body. If the whole body were an eye, it would not be able to hear. If the whole body were an ear, it would not be able to smell. If each part of the body were the same part, there would be no body. But truly God put all the parts, each one of them, in

the body as he wanted them. So then there are many parts, but only one body.

Together you are the body of Christ, and each one of you is a part of that body.

### Prayer

Almighty and ever present Father, your loving eye is always upon us, and even the tensions and frustrations of life cannot destroy your plans for us. Help us to believe in you and trust in you, no matter what happens.
