## National School Sports Week 26 - 30 June 2017

During all core lessons pupils will be having a go at sports that we don't cover normally in the curriculum. The sports we will be covering are girls cricket, Ultimate Frisbee, boys trampolining, Tennis for girls, table tennis and Yoga. We will also be hosting the first of our SJP vs St Mary's sports days and running a rewards trip to the water sports center in Liverpool. We are also approaching different sports clubs to come in and run different extra curricular clubs to the normal summer sports we offer at the moment.

The focus is helping pupils to find a sport that they can enjoy, be successful at and hopefully pursue outside of SJP.

WEEKLY THEME - “THREE INTO ONE”

John 3:16-18

“God loved the world so much that he gave his one and only Son so that whoever believes in him may not be lost, but have eternal life. God did not send his Son into the world to judge the world guilty, but to save the

world through him. People who believe in God’s Son are not judged guilty. Those who do not believe have already been judged guilty, because they have not believed in God’s one and only Son.

The Feat of the Most Holy Trinity

The feast of the Holy Trinity is one of the principal mysteries of religion, so it is not an easy task to try and explain or indeed understand it. Nevertheless, our Faith requires us to believe it.

I always remember how my parish priest at the time gave his explanation of it, which made sense to me, and now I pass it on to others, hoping they will get the same inspiration.

He said:- “ The Holy Trinity comprises of God the Father, God the Son, and God the Holy Spirit...three persons in one God. The mystery is that God is Father, Son and Spirit.

I am a priest, a son, and a brother – and yet I am one and the same person, whichever title people know me as. I too am three in one”.

It would not be helpful to delve deeply into this mystery, because the study of it would rather confuse the situation even more.

When a pond is still, you can see into it. Even if you cannot see right down to the bottom of it, you can see something of what is contained in its depths. But once you begin to stir things up, everything disappears and the picture is more baffling than before.

The best thing a Christian can do is to look at the Gospels, and see how God spoke about this mystery and lived it.

He spoke about God as a merciful and forgiving Father.

He spoke about himself as the Son of this Father. By seeking to do the will of his Father at all times, he showed us how a child of God should live. The will of the Father was that he should bring us the good news of salvation.

But it was the Holy Spirit who commissioned him for this work: He said: “The Spirit of the Lord has been given to me. He sent me to bring good news to the poor.”

We are dealing with a great mystery here. We think of God as our Father, who loves us deeply. It is from Him that we come, and it is to Him that our lives flow like a brook to the sea.

We think of Jesus – the Son of God - as our Brother, who leads us to the Father’s House.

We think of the Holy Spirit as the one who helps us to live like Jesus, and who binds us together as brothers and sisters in a community of love.

How often do we call upon the Holy Spirit, perhaps not realising it...how about every time we say :-

“In the name of the Father, the Son and the Holy Spirit” or “ Glory be to the Father, the Son and the Holy Spirit.”

The following quote written by an inmate on the wall of a concentration camp is also revealing:-

“I BELIEVE IN THE SUN, EVEN WHEN IT’S NOT SHINING. I BELIEVE IN LOVE EVEN WHEN I DON’T FEEL IT. I BELIEVE IN GOD EVEN WHEN HE IS SILENT”
