

1 September 2016

Dear Parent/Carer

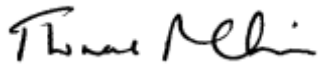

SJP Trips and Off Site Visits

As part of your child's education, trips and visits are organised to enrich your child's learning experience.

In order for SJP to hold up to date medical and dietary records for your child, I would be grateful if you could please complete and sign the attached Medical Form and return via your child's Form Tutor. This information will be held on file for the academic year 2016-17 and will allow your child to participate on all trips or visits during the year.

We will, of course, write to inform you of each individual trip to give you full information and obtain your written permission at that time.

Yours sincerely

A handwritten signature in black ink, appearing to read 'Thomas Quinn', written in a cursive style.
