

# CAREERS BULLETIN 8-6-22

## Job of the Week #5 – Employment Advisor

<https://www.youtube.com/watch?v=VaN8Yej-I4A>

### Open Evening – Wirral Met

**22-6-22 (For Year 10 and Year 11) - 4.30pm to 7pm**

Wirral Metropolitan College have their next Open Evening planned for the 22nd June and all their campuses will be open for the event. There are still vacancies in all further and higher education courses, so it's not too late for those who are leaving school this year to apply. I would also urge students in their penultimate year to consider attending as this may help them decide what to do next and take some of the pressure off during their final year, allowing them to fully focus on their exams.

Details of the Open Evening can be found by following:

[www.wmc.ac.uk/about-us/events](http://www.wmc.ac.uk/about-us/events)

### Apprenticeships – Year 11

Teledyne, a leading aerospace composites manufacturer, are recruiting for the 2022 September intake in their **composite technician apprenticeship** programme.

This is a Level 3 extended diploma.

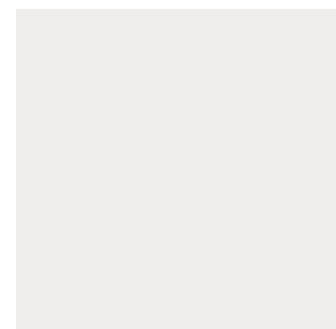

They are holding an Open Day on 12th of July 2022.

For further information, please email: [paul.oldham@teledyne.com](mailto:paul.oldham@teledyne.com)

Two 'stepped' apprenticeship opportunities (initially working towards qualifying at Level 3) due to start in September 2022 with the commitment from SURE Solutions to get the successful candidate to their Level 4 qualification. Level 4-9 GCSEs in English and Maths are a prerequisite for both positions, with DT and/or Computer Science GCSEs 'desirable' for the engineering role:

## Apprenticeships – Year 13

Please see below an opportunity to join Inovyn (an INEOS company) as an apprenticeship customer services representative:

Location: Runcorn, UK Start Date: 1st September 2022 To undertake an apprentice training programme over a period of 15 – 18 months, following the Customer Service Specialist (ST0071) standard. Our apprentices will be doing real work from day one, adding value by providing an enhanced service to customers, ensuring their needs are fully met, on time. The apprenticeship training will be provided in conjunction with TTE.

- Providing a constant focus on Safety, Health and Environment (SHE) when managing customer requirements.
- Be the focal point for Customers placing orders; understanding their needs and handling orders in an accurate and timely manner
- Making optimum use of our IT systems (SAP) for order processing, ensuring the best customer service is achieved.
- Building good working relationships with all customers, hauliers, depots and colleagues
- A Level qualification or equivalent
- Excellent written and verbal communication skills
- Excellent numeracy
- Problem solving skills
- Strong organisational skills
- Thoroughness and attention to detail
- Tenacity to see tasks through to the end

Part of INEOS, INOVYN is Europe's leading supplier of vinyls and top three worldwide. With an annual turnover of €3.1 billion INOVYN has around 4,300 employees and chemical manufacturing, sales and marketing operations in 8 countries across Europe.

See [www.inovyn.com](http://www.inovyn.com) and [www.ineos.com](http://www.ineos.com) for more details.

- An enhanced starting salary with a structured salary progression • Valuable, relevant experience in a large multi-national Company
- A great working environment in a brand new office building with free refreshments, free on-site gym and a café.
- Opportunity to apply for permanent opportunities at the end of the apprenticeship

**Please send your CV and a cover letter to [hruk@inovyn.com](mailto:hruk@inovyn.com) by 17th of June.**
