Teaching & Leadership

11 October 2018

Dear Parent/Carer

Year 11 Parents' Evening

Welcome to Year 11 Parents' Evening.

In this welcome pack you will find the following information:

- List of subject teachers and room allocation
- College Map
- Governors' Survey
- Examination dates
- Sixth Form information flyer

Please use this evening as an opportunity to discuss with your son/daughter and the relevant subject teachers his/her current target grades. Please make any relevant notes on the Target Review Form regarding the strategies suggested to achieve these targets for each subject.

Please keep this completed Target Review Form, which I suggest is placed in a prominent position at home, e.g., the fridge door! It can be used as a support and reference point for the remainder of the year. It could also be used as a motivational vehicle to assist your child in their studies and aspirations for this academic year.

May I remind you that all appointments are timed for five minutes in duration to enable everybody to meet their subject teachers today.

A lift is available for anybody requiring assistance to the rooms on the first /second floor.

I would like to take this opportunity to thank you once again for your support in your son/daughter's education and your active role in agreeing the targets for attainment with them this year. Your participation now and throughout the year is invaluable.

I would be grateful if you would also take the time to complete the Governors Survey before you depart.

Yours sincerely

Mrs C Bedke
Head of Learning Year 11
