Year 11 Field Trip

Year 11 Geography pupils enjoyed the sunshine in Liverpool and Formby last week! The purpose of their trips was to conduct fieldwork in two contrasting environments.

On Wednesday, Y11 Beta travelled first to Liverpool 1 to look at urban regeneration, followed by a trip to the sand dunes on Formby beach. Y11 Alpha repeated the journey the following day.

DofE Silver

It has been a very busy period for our Year 11 pupils who are challenging themselves by taking on the Duke of Edinburgh Silver Award. Over the last fortnight we have seen over 50 pupils complete their three day practice expeditions in North Wales.

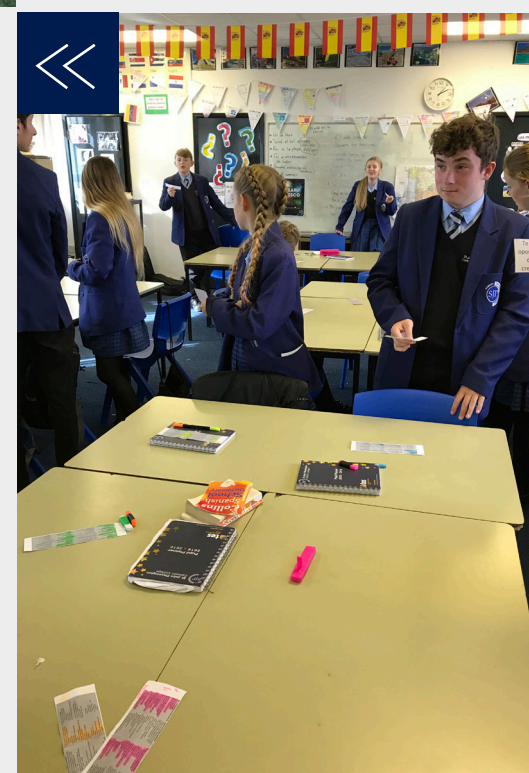

During the first day of the expeditions both sets of pupils journeyed from Loggerheads Country Park to their campsite, navigating their way through wooded areas, open land and rolling hillside. All groups did very well, especially considering this was their first time navigating since completing the Bronze Award in Year 9.

The second day saw pupils take on the challenge of an 18km loop taking in some beautiful scenery in an official area of outstanding beauty. This challenged pupils' resilience as the day was long and packs heavy. On returning to camp pupils were able to have a well-earned rest and demonstrate their culinary skills as they cooked their hot meal on a Trangia stove.

No Pens Day

On Wednesday 3rd October we joined 6000 schools across the country to participate in the Communication Trust's 'No Pens Day' event. As part of our commitment to developing Oracy skills, both teachers and pupils put their pens down for a whole day to allow lessons to be focused on speaking and listening tasks. These ranged from discussion and group work tasks to presentations, and created a fantastic buzz of enthusiastic learning around the College.

Parent Seminar

Really helpful study skills presentation on Tuesday 2nd October for our Year 11 parents. A huge thank you to Tabitha from Elevate Education UK who was absolutely excellent giving practical techniques for parents to support their child.

No Pens Day

Year 13 using the structural blocks (with pre-printed terms) to discuss ideas about the biochemical sequence of events of aerobic respiration.

Thought for the week
W/C 8th October 2018

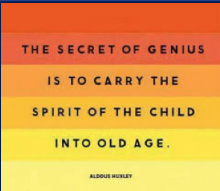

“Great is the human who has not lost his childlike heart.”

Mencius

Pope Francis tells us:
Be not childish, but be childlike
in your faith to our “Daddy” God
in heaven.

Liturgical Theme
W/C 8th October 2018

It's a funny old world isn't it! Teenagers like to imagine that they are older than they really are. Middle aged people are more inclined to think of themselves as younger, while the old often boast about just how old they are.

In this weeks gospel Jesus tells us that whatever age we are, unless we become like little children we will not enter the kingdom of God.

He is really telling us that we have to be like little children who are open and trusting, knowing that God is our loving Father.
