

St John Plessington Catholic College Newsletter

Another great year for GCSE results at SJP!

The College is exceptionally pleased with the performance of our students this year who have once again achieved an excellent set of results despite significant changes at GCSE to the new 9-1 grades.

In English, 77% of students have achieved grade 4 and above, and in Mathematics 66% have achieved grade 4 and above, this gives us a combined figure of 60% of our students achieving grade 4 and above in English and Maths.

SJP celebrates continued success at A' level.

St John Plessington Catholic College celebrates excellent results today for A-level students with 48% of students achieving A*-B grades, 75% achieving A*-C and a 98% pass rate for all students (A*-E).

- Ailin Anto – A*, A, A who is going on to study Medicine at Imperial College, London.

Thought for the week W/C 10th September 2018

"My question for you is this: what are the qualities
you see in others that you would most like to have
yourself? What kind of person would you really
like to be?"

Emeritus Pope Benedict XVI

Pope Francis tells us:

*"The Gospel calls us, asks us to
be 'Neighbours' of the smallest
and most abandoned.*

Liturgical Theme W/C 10th September 2018

Our education should open
our eyes, ears and mind
to the wonders of God's
creation. Sometimes we can
go through life oblivious to
what is going on around us
either at home, in college or
in the world.

As followers of Jesus we need to be aware to
what is happening and to speak up for others.
We must always be thankful for the many
blessings that we have received from God,
