Beauty & the Beast

SJP were proud to present Disney's Beauty and the Beast this week. With strong characters and lively storytelling, pupils of SJP kept audience members enchanted with dazzling vocals and captivating dialogue as they told the story of Belle and her journey of self discovery as she attempts to rescue her Mother from the claws of the Beast. Pupils from all year groups took to the stage and stunned with their polished performances. We met all of our well-loved Disney characters; Lumiere, Cogsworth, Mrs Potts and Chip along with Gaston and Lefou graced the stage and brought with them a horde of villagers and castle objects as they entertained us for close to two hours. Audience members were left speechless by the fantastic performances of all pupils and it was fantastic to see new talent coming to the forefront in leading roles. Pupils once again proved that hard-work and commitment truly pays off and once again demonstrating the high quality performances SJP are renowned for. Congratulations to all pupils involved for a performance to remember and for your invitation to be your guest for the evening.

OUR MISSION STATEMENT

Our **SJP** community is a place where all are respected, celebrated and encouraged to fulfil their true potential.

We plant seeds that one day will grow and water those seeds already planted, knowing that they hold future promise.

We aspire not to have more but to be more.

We are a family who strive to be
‘Always faithful to Christ.’

SJP launches its new Mission Statement.

St John Plessington Catholic College is pleased to present our new Mission Statement.

The statement holds up our values and vision for all members of our community as we move forward and go from strength to strength. It is a much simpler and more memorable statement than the previous one. The purpose of a Mission Statement is to remind us all what the essence of our school life is about on a daily basis and our purpose of existence. Our faith, our core values and our hopes for the future are all encapsulated in this statement and in the imagery that goes with it.

We hope you like it!

Rotary Club Competition at Neston High School

Congratulations to our Y12 DT engineering teams who took part in the annual Rotary Club competition at Neston High School.

One of our teams won the advanced category by designing a vehicle to lift and transport toxic waste! They competed against teams from a range of other high schools on the Wirral.

Year 7/8 Girls Progress to Finals Night

On Thursday 7th November two Yr 7/8 girls teams represented SJP for a second time at Bebington High, but this time hosted by Tranmere Rovers Football Club. The girls yet again were brilliant in representing the school by showing respect and professionalism as they competed against a host of other schools during the night.

SJP A (Jana Gomes, Bella Fowler, Seren Paling, Amelia Milroy, Jess Brady, Leah Ronney & Mary Jane Ronald) were matched alongside Bebington, Wirral Grammar B and Neston A. The girls won all three games without conceding a goal meaning that the girls finished top of the group and progressed to the finals night on Thursday 21st November.

SJP B (Clara Gordon, Freya Hamlet, Sinead Daly, Millie Bedford, Ciara Reid, Mollie-Mae Jones) were matched alongside Wirral Grammar, Ridgeway and Neston B. The girls lost one and drew two.

Well done to all of the girls for playing some excellent and hard battled football. We will now look forward to the finals night and wish the best of luck to the girls who will represent the school that night.

On Friday 15th November we was joined by a very special guest!! Thanks to Pudsey the bear and BBC North West for stopping in to say hello!

Sixth Form Additional Timetables
