## Statement of Intent – Promoting Diversity in the Church School Workforce

In the Gospel according to Mark, Jesus Christ bestows upon his followers two unassailable truths:

*“Love the Lord your God with all your heart and with all your soul and with all your mind and with all your strength.” The second is this: “Love your neighbour as yourself.” There is no commandment greater than these.’ (Mark 12:30-31)*

Christ did not give any exceptions for this love of our neighbour, therefore any kind of prejudice or discriminatory behaviour is incompatible with our faith.

We recognise that certain groups in society have been disadvantaged because of discrimination they have faced. Despite progress, unfortunately prejudice still exists today both explicitly and implicitly, and many still face discrimination due to their religion, race, sex, disability, gender, marital status, sexual orientation or age.

Our collective Church teachings on human dignity and dignity in work give us a very clear instruction that our communities must not only stamp out prejudice wherever we find it, but take positive steps to building a more equal society.

As the providers of a third of all schools in England we know the invaluable contribution school staff make in shaping the attitudes of generations of children. Therefore, Church schools must be positive working environments where all pupils and staff can flourish free from prejudice and unlawful discrimination and any form of harassment, bullying or victimisation.

As the ecumenical bodies supporting Church schools in England we commit to:

- Promoting understanding of all protected characteristics<sup>1</sup> in Church schools
- Promoting best practice in staff recruitment, retention and development
- Ensuring that all national employment policies and procedures benefit all employees and potential employees regardless of any protected characteristic<sup>2</sup>
- Regular research and monitoring to identify any inequalities and barriers that potentially exist
- Ensuring any guidance on governance matters promotes diversity and equal opportunities
- Working with representative organisations and other faith groups to foster community cohesion

<sup>1</sup> As outlined in the Equalities Act 2010.

<sup>2</sup> As above

## 1 - CONTEXT

1.1 Responsibility for Equality cannot be delegated and all staff of HFCMAT must exercise due regard in their day to day operations. The Trust's commitment to the identification and removal of barriers to success for all is based on the following core values and ethos expressed in our vision statement which can be viewed on our website – [www.hfcmat.com](http://www.hfcmat.com)

1.2 The Equality Act 2010 (which came into force on April 5th 2011) has replaced and unified all existing equality legislation such as the Race Relations Act, Disability Discrimination Act and Sex Discrimination Act. It aims to ensure that people have equality of opportunity in accessing and experiencing public service. The Act provides a single, consolidated source of discrimination law, covering all the types of discrimination that are unlawful and it extends the protection from discrimination in certain areas.

1.3 Equality of opportunity at HFCMAT is about providing equality and excellence for all in order to promote the highest possible standards of achievement. Equality of opportunity applies to all members of the school community – pupils, staff, governors, parents, directors and local community members.

1.4 **The Accessibility Plan** is fully consistent with the Trust's SEN policies and SEN legislation. It should also be applied consistently within other Trust policies.

### Public Sector Equality Duty (PSED)

1.5 The General Public Sector Duty of the Equality Act 2010 requires schools, in the exercise of their functions and decisions, to have due regard to the need to:

- Eliminate discrimination, harassment and victimisation and other conduct prohibited under the Act.
- Advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it.
- Foster good relations between persons who share a relevant protected characteristic and persons who do not share it.

1.6 The specific duties of the PSED states that academies are required to:

- Publish information to demonstrate compliance with the PSED annually.
- Prepare and publish equality objectives at least every four years.

## 2 AIMS

2.1 We aim to promote equality of opportunity and good relations across all aspects of school life. We do this by:

- a) creating an ethos in which pupils and staff feel valued and secure;
- b) building self-esteem and confidence in our pupils, so they can use these qualities to achieve their full potential and become rounded citizens of the wider community;
- c) having consistent expectations of the pupils and their learning;

- d) removing or minimising barriers to learning, so that all pupils can achieve;
- e) ensuring that our teaching takes into account the learning needs of all pupils through our curriculum and lesson planning;
- f) actively tackling discrimination and promoting equality through our curriculum;
- g) making clear to our pupils what constitutes aggressive and discriminatory behaviour;
- h) ensuring school resources reflect society as a whole;
- i) having clear procedures for dealing with discriminatory incidents and that these are understood by all; and
- j) ensuring all pupils develop mutual respect through our school's ethos, teachings and adult example.

2.2 These aims are designed to ensure that our schools meet their own needs and those of their communities, taking account the nine protected characteristics; race, disability, sex, age, religion or belief, sexual orientation, pregnancy and maternity, marriage and civil partnerships and gender reassignment.

The philosophy of HFCMAT is based on inclusive principles which strive to promote equality. Equality of opportunity at HFCMAT is about providing equal access and excellence for all in order to promote the highest possible standards of achievement.

## 4. FORMS OF DISCRIMINATION

**Discrimination** by or against an employee is generally prohibited unless there is a specific legal exemption. Discrimination may be direct or indirect and it may occur intentionally or unintentionally.

**Direct discrimination** occurs where someone is treated less favourably because of one or more of the protected characteristics outlined in Appendix A. For example, rejecting an applicant on the grounds of their race because they would not “fit in” would be direct discrimination.

**Indirect discrimination** occurs where someone is disadvantaged by an unjustified provision, criterion or practice that also puts other people with the same protected characteristic at a particular disadvantage. For example, a requirement to work full time puts women at a particular disadvantage because they generally have greater childcare commitments than men. Such a requirement will need to be objectively justified.

**Harassment** related to any of the protected characteristics is prohibited. Harassment is unwanted conduct that has the purpose or effect of violating someone's dignity, or creating an intimidating, hostile, degrading, humiliating or offensive environment for them.

**Victimisation** is also prohibited. This is less favourable treatment of someone who has complained or given information about discrimination or harassment, or supported someone else's complaint.

Their line manager or HR may wish to consult with the staff member and a medical adviser about possible adjustments.

8. 3 The governing board will monitor the physical environment of the school premises to consider whether certain features place physically disabled staff, job applicants, service users, or other stakeholders at a substantial disadvantage compared to others. Where reasonable, the school will take steps to improve access for disabled staff and service users.

9.1 If a member of staff believes that they may have been discriminated against, they will be encouraged to raise the matter through the school's Grievance Policy. If they believe that they may have been subject to harassment, they will be encouraged to raise the matter with their line manager.

9.2 Allegations regarding potential breaches of this policy will be treated in confidence and investigated in accordance with the relevant procedure. ## **Annexe A**

### EQUALITY OBJECTIVES

Each 2 years our schools will set specific equality targets to improve the provision set out within this policy.

#### [Equality Objectives Action Plan](#)

Each individual school within HFCMAT is responsible for producing, implementing and monitoring an Action Plan to address equality objectives. Action Plans are a fundamental part of the Policy. Although an integral part of the Policy, the Action Plans are standalone documents and will change regularly as progress is made on the identified actions and new actions are identified.

Action Plans will link with school improvement, curriculum reviews and annual self-assessment. Whilst the Policy sets out the vision, the Action Plans translate that vision into actions targeted to achieve equality outcomes. The Action Plans detail the actions which will be taken to make the commitments in the Policy a reality.

### **SJP Accessibility Statement**

#### Accessibility Plan Statement

##### SJP Accessibility Plan

As a school we are committed to providing premises that are suitable and sufficient for all educational purposes and give access to a broad, balanced and differentiated curriculum for all students, irrespective of special need or disability. St John Plessington Catholic College's Governing Body supports the principles and aims of the Equality Act 2010 and the new Special Educational Needs and Disability Code of Practice 2014. This Plan underpins our strategy for planning to improve access and by committing the school to a programme of evaluation and review which will result in actions to improve access to the curriculum for pupils with special needs and disabilities. This Plan operates alongside the school's SEN policy and SEND statement and is consistent with it in terms of principles and approaches to resourcing. The school will actively seek to improve access to services in the ways set out below in the action plan and will maintain this plan and set out the steps the school will take to achieve this. The action plan will be reviewed annually and updated to take account of improvements made, future resource availability and changing needs in the target areas.

**Curriculum Access:** To ensure the curriculum is differentiated to meet the learning needs of students with SEN and disabilities and that target setting is aspirational and appropriate for these students.
