Thought for the week Week Commencing 29th April 2019

“To follow Jesus means to follow Jesus into a society where justice rules, where love shapes everything. To follow Jesus means to take up his dream and work for it.”

Scot McKnight

Pope Francis tells us:

•To have faith, must go further than mere words – it must lead to concrete actions and choices, “marked by love of God, by a great life, by a life with so much love for neighbour.

Liturgical Theme for the week

Week Commencing 20th May 2019

“Discipleship”

What does the word Disciple mean?

The original definition means a pupil (of a teacher) or an apprentice (to a master craftsman).

So today each one of us is a disciple of our teachers here in our college community.

In our Christian faith we are each called to be Disciples, the follower of Jesus, bring his good news to the society in which we live.

The early followers of Jesus were simply known as “Followers of the way.” They lived their lives in the way that Jesus had taught them.

John 13:31-35

Jesus said, 'Now the Son of Man is glorified and God is glorified in him. If God is glorified in him, God will glorify the Son in himself, and will glorify him at once.

'My children, I will be with you only a little longer. You will look for me, and just as I told the Jews, so I tell you now: where I am going, you cannot come.

'A new command I give you: love one another. As I have loved you, so you must love one another. By this everyone will know that you are my disciples, if you love one another.
