Thought for the week **Week Commencing 24th June 2019**

“Let your life reflect the faith you have in God.
Fear nothing and pray about everything.
Be strong, trust God's word, and trust the process.”
Germany Kent

Pope Francis tells us:

Only trust in God can transform doubts into certainty, evil into good, night into radiant dawn.

Liturgical Theme for the week Week Commencing 24th June 2019 “Trust”

We all face problems in life. Sometimes our problems aren't very big. Maybe our problem is choosing what to wear or you don't have anywhere to sit at lunch. But other times our problem are a little bigger. These kinds of problems are things like falling out with our best friend, or maybe even family problems. We all have problems, but there's some good news.

God want us to trust him to fix our problems. The disciples were in a tough situation that seemingly had no solution. But Jesus had the power to help them, and he did. And he wants to do the same for us. God wants you to let him help you with your problems.

God will help in the big and small problems of Life. God wants to be with us all the way.

Luke 9:11-17

Late in the afternoon the Twelve came to him and said, “Send the crowd away so they can go to the surrounding villages and countryside and find food and lodging, because we are in a remote place here.”

He replied, “You give them something to eat.”

They answered, “We have only five loaves of bread and two fish—unless we go and buy food for all this crowd.” (About five thousand people were there.)

But he said to his disciples, “Have them sit down in groups of about fifty each.” The disciples did so, and everyone sat down. Taking the five loaves and the two fish and looking up to heaven, he gave thanks and broke them. Then he gave them to the disciples to distribute to the people. They all ate and were satisfied, and the disciples picked up twelve basketfuls of broken pieces that were left over.
