		contact with birth family.	Before and after weekends	

If you have a child who exhibits a number of the behaviours outlined on this chart, you should consider convening a multi-agency meeting. *Reproduced with permission from "*Working with the looked after or adopted child in school" *(Suffolk County Council LACESS)* 

## t might you do?

oduce a buddy system. Consider 'circle of friends' bach. Encourage the child to help around the school.

urage work in pairs or small groups. Ask the child to help ner who is less able.

ate the child's feelings, "I can see that you are angry...". the child repair/restore where possible - together.

set routine. Make sure all first tasks are simple and wable. Seat child close to you. Allow child to wait quietly. ce the child explicitly. Give child something to look after while. Give child responsibilities for things (not people). I step differentiation. Use timer to divide tasks.

nge seating so there is no one behind the child but where an stay in contact.

n with the child, even at silly things.

r choices. Make sure both are acceptable! Make

ns/tasks very structured (multiple choice/cloze/sentence letion. All materials to hand.

s on modifying most serious behaviour. Validate the 's feelings. "I can see that you are angry/upset....."

ssertive but keep emotional temperature down. Avoid ing anger, irritation or fear. Start each day with clean .

rd all incidences very clearly. Seek advice from other cies such as CAMHS.

raise but don't be too effusive and be specific about what are praising. Privately may be more acceptable to child. If threat of removal or rejection. 'Time in' not 'time out'. avoidable, do so positively "I need to get on with the - you come and sit here till you feel better. Speculate I why it might have happened (don't ask child to explain). format same each day. Describe plan of activities for on at outset. Do the child's remembering for him/her!

he child make lists on Post-Its.

ways to reassure - smile, thumbs up. Encourage playing s to make children laugh. Sit side by side.

ce time in playground, introduce tighter structure and rvision, create inside 'retreat', establish nurture group. d accusing child of lying or fantasising. State the truth e matter briefly and simply.

ot insist on 'sorry'. Suggest an action that might repair Iged relationships. Try not to leave desirable things lying nd!

ensitive in curriculum delivery. Allow child time and space anage feelings away from the classroom.
