edition 5

Welcome to the autumn edition. It's been a different start to the school year for all of us. The library like the rest of the school has had to adapt the way it operates to comply with the current regulations. We're hoping to be open to all again very soon but in the meantime, here are some alternative ways to use the school library -

Book Selector Questionnaire

Go to Google Classroom - Classwork - The School Library - book selector questionnaire. Complete the form, either with the title of the book you would like or answer the questions to give ideas of what you like to read. Books will be delivered to form rooms on a fortnightly basis.

Keep up-to-date with the day to day school library news 

Reading Cloud app - coming later this month

Students using the reading Cloud app can...

- Search library resources
- View the latest and most popular books
- Write and record video reviews
- Check in on the latest news from the library
- Check their library account
- View recommended reads using 'Who Next'
- Request books for the school to purchase

Reading increases your vocabulary and your knowledge of how to correctly use new words.
Reading helps you clearly articulate what you want to say.

Why read?
Reading broadens our knowledge,
we gain understanding from experiences that are different
to our own and we get to listen to others' stories.

A great place to keep up to date with the latest news on everything.

Black History Month

As part of Black History Month we're highlighting the incredible life of Harriet Tubman and Maya Angelou's poetry.

Harriet Tubman escaped slavery herself then went on to lead other enslaved people to freedom through a network called The Underground Network.

Maya Angelou was an American poet, memoirist, and civil rights activist. Year 9 are currently studying her poetry.
