

Year 7 - Revision Activities

| Subject | Information for Parents 2023 | ✓ | Date I will complete |
|------------------|---|---|----------------------|
| Art | "Pupils need to complete the extended learning booklet - pages 1 & 2 only. This is on Elements of Art, Mark making and Tone. Please complete these tasks and return booklets next lesson. This video link will help you understand the elements of Art. https://youtu.be/nbXLcUkae9k " | | |
| DT | Each class will be set a homework related to their current D&T project on Google Classroom. To expand your skills, prepare and cook some healthy and seasonal recipes over half term; choose from several savory and sweet options listed on the BBC Good Food website: https://www.bbcgoodfood.com/howto/guide/10-half-term-recipes-kids | | |
| English | Research Zana Fraillon, author of 'The Bone Sparrow' and complete the fact file on Google Classroom. | | |
| Spanish | Pupils to research what schools are like in Spain/ Latin America and complete a PowerPoint or word document with all of the facts that they have found. | | |
| Geography | Each year group will be set a task relating to their current topic on Google Classroom. Pupils are also encouraged to use BBC bitesize to consolidate learning in lesson. | | |
| History | Use your knowledge to create a 'horrible histories' style guide to 17th Century England. Include key events, people and places. | | |
| Computer Science | The pupils will work through a number of lessons that include videos, PowerPoints and quizzes to enable our pupils to gain further knowledge and understanding of Computing Systems. https://classroom.thenational.academy/units/computing-systems-1558 | | |
| Maths | "Sparx Maths: https://www.sparxmaths.uk/ Compulsory: homework that is expected to be completed XP Boost: allows you to collect XP points. Tailored to your level and contains questions that will help strengthen your understanding. Target: contains questions that you have previously struggled on or an extension to topics that you have done well on. You may find these questions more challenging." | | |
| RE | "Pupils will create a comic strip to show a modern version of one of the miracles we have studied this half term. Use the link below for an example of one of the miracles. https://www.youtube.com/watch?v=XIPxefCrGMA " | | |
| PE | Pupils will be set a workout and evaluation to complete during half term that will be posted on Google Classroom. This is to help pupils maintain their physical activity and fitness levels. | | |
| Science | "Students are currently completing the Begin Particles unit in Science. They will sit their end of unit assessment in week 5 of the February half term. Compulsory homework is set on google classroom and revision resources are attached. BBC Bitesize - https://www.bbc.co.uk/bitesize/courses/zy22qfr SENECA - https://senecalearning.com/en-GB/ " | | |
| Drama | Pupils will be set a reflective task on google classroom to complete. This will involve them analysing their IDoceo feedback sheet, evaluating their strengths and weaknesses and setting targets for the future. Pupils should refer to their individual classrooms for more details. | | |
